Africa Medical Supplies Platform
What is the Africa Medical Supplies Platform?
The SARS-CoV-2 Ag RDT procurement process works in 5 simple steps

1. Critical medical supplies are sourced
   - Africa CDC platform team & its strategic partners

2. Buyers place orders on the platform
   - AU Member states, Authorized foundations, NGO, Pharmas

3. Buyers make payments
   - Afreximbank

4. Seller prepares shipments
   - Manufacturers in Africa & worldwide

5. Delivery from seller to countries
   - Logistics partners e.g., (National Airlines, Global Freight Forwarders)
Through strategic partnerships, we are powering distribution of SARS-CoV-2 Ag RDT on the continent
