

- Nigeria is home to over 206 million
- 30% of this is aged between 15-30 years of age

- The National Youth Service Corps (NYSC) scheme was created "with a view to the proper encouragement and development of common ties among the youths of Nigeria and the promotion of national unity'.
- It is a mandatory one-year program set up by the Nigerian government for Nigerian graduates.

- First case in Nigeria : 27th Feb 2020

- Lockdown of Major Cities: Announced on 30th March
- The COVID-19 pandemic delayed the commencement of the NYSC scheme

- NCDC is working with NYSC authorities through the implementation of a surveillance system
- To facilitate the process for the safe reopening of the NYSC camps in a way that is safe
- To estimate the prevalence of COVID-19 amongst NYSC orientation camp communities
- For the purpose of validation of the RDT kits, RDT and PCR testing were run concurrently in FCT and Lagos camp communities
