ASLM SPECIAL CONVENTION ON DIAGNOSTICS

Accelerating Diagnostic Innovation and Collaboration
to Combat AMR and Advance Health Security in Africa:

ASLM Special Convention on Diagnostics 2025

The African Society for Laboratory Medicine (ASLM) is pleased to invite you to the Special Convention on Diagnostics, taking place in **Nairobi, Kenya**, from **25–27 November 2025**.

This year's Convention themed: **“Accelerating Diagnostic Innovation and Collaboration to Combat AMR and Advance Health Security in Africa.”** Will be a premier platform to;

- Showcase cutting-edge diagnostic innovations that address Africa's unique challenges.
- Strengthen the continental response to antimicrobial resistance (AMR) through enhanced laboratory and surveillance systems.
- Explore innovative and sustainable financing mechanisms tailored to African contexts.
- Mobilize political and financial commitments to advance national and regional AMR action plans.

The Convention will bring together policymakers, laboratory experts, global health leaders, industry innovators, funders, and partner organizations creating unparalleled opportunities for knowledge exchange, high-level networking, and impactful collaborations.

ASLM SPECIAL CONVENTION ON DIAGNOSTICS

Accelerating Diagnostic Innovation and Collaboration
to Combat AMR and Advance Health Security in Africa:

Why participate as a sponsor, delegate or Exhibitor?

Engage directly with decision-makers shaping Africa's health security agenda.

Showcase your innovations, products, and services to an audience seeking practical solutions.

Build strategic partnerships with governments, donors, and regional stakeholders.

Position your organization as a key player in the fight against AMR and the advancement of diagnostics in Africa.

We would be honored to have you and your organization join us at this transformative event—whether as a sponsor, participant, exhibitor, or partner. Your presence will not only enrich the discussions but also help shape actionable strategies that drive health impact across the continent.

Please find below further details on the Convention for each category of sponsorship, exhibition and participant.
